

Adult Work/Study Application

The Theatre Lab awards work/study to adults who have a strong desire to learn the theatre craft would not have the opportunity to take our classes without financial aid. Work/study participants up to 10 work hours to any one class, credited at \$10 an hour (for a maximum tuition reduction of \$100). **Work/study hours must be completed before credit can be applied.** Participants typically serve the organization by helping with Theatre Lab mailings and distributing brochures and fliers to area establishments. Other opportunities include setting up for special events, documenting classes through photography and working in our youth programs. If you would like to be considered for a work/study grant, please complete this form and return it to our office.
